Honorable J. Carlton Loser  
House of Representatives  
Washington, D. C.

*, enc'd*

Dear Mr. Loser:

This is in response to your letter of September 6, 1960 concerning a letter you received from [redacted] [redacted], regarding the continuation of salary payments to Mr. Francis G. Powers. I am enclosing a copy of a letter I have forwarded this date to [redacted] in response to an identical letter which I received directly from him under date of August 30, 1960. A copy is also being forwarded to Senator Albert Gore in response to a query received from him for advice to [redacted] on this same subject.

For reasons which I am sure you will understand, the enclosure is as responsive as I feel I can be at the present time.

If I may be of further assistance, would you please advise me.

Sincerely,
